\*\* software contains electronic documentation.

Note 1: Mac OS 9.2.1 is recommended for use with any Macintosh computer qualified for Mac OS X (includes all G3 and G4-processor based Macintosh computers, except the original PowerBook G3). Mac OS 9.1 is qualified for use with any PowerPC-based Macintosh computer.

\*1000+ CPUs, only available for Mac OS

All prices are per seat or per unit.

Media and Doc sets are not included in license fee. The number of sets available for purchase is limited to the number of licenses purchased.

Media sets, Doc sets and Technical Support are not counted in determining tier level.

**This price list supersedes all previous price lists.**

Products and prices listed are subject to availability and are subject to change without notice.
